APPLICATION FOR CLASSIFICATION AS A LEGAL RESIDENT OF NORTH CAROLINA FOR TUITION PURPOSES

Under North Carolina law, bonafide legal residents of North Carolina are eligible for a lower tuition rate than nonresidents. Copies of the applicable law and of ABTCC regulations are available for review in the office of the Director of Enrollment Management. North Carolina Statute (GS 116-143.1) requires that "To qualify as a resident for tuition purposes, a person must have established legal residence (domicile) in North Carolina and maintained that legal residence for at least twelve months immediately prior to his or her classification as a resident for tuition purposes." GS 116-143.1 also sets forth statutory definitions, rules and special provisions for determining resident status for tuition purposes. To be classified a resident for tuition purposes, the applicant must furnish such evidence as A-B Tech may require to determine residency status. If North Carolina residence for tuition purposes is claimed, this application must be filed promptly and before the beginning of the semester for which residence is claimed. Unless notified to the contrary, classification at A-B Tech is nonresident for tuition purposes for the proposed semester of enrollment.
