

Student Acknowledgment FALL 2010

“I have been provided access to the course syllabus and my instructor’s contact and course information, I understand what is expected of me, and I agree with the provisions set forth”.

The student is expected to send this acknowledgment to the instructor of record as a requirement for the course. Students will not be able to proceed with graded assignments until the instructor receives this acknowledgment. Receipt of this document by the instructor will be taken to be the student’s official agreement with the statement listed in quotes above.
