### International and American Regional Lunches and Dinners Reinvented, Redeveloped, Repackaged Fall 2009

The Department of Culinary Arts and Hospitality looks forward to hosting our many friends both new and old for our autumn dining experience. We will again be offering our popular International and American Regional menus this autumn. It will be our pleasure to offer you this popular dining experience in the lovely dining rooms of both Magnolia and Fernihurst.

Continuing with tradition, we will offer buffet service for both lunch and dinner in the Magnolia dining rooms. The buffets will include appetizers, soup, salads, entrées, side dishes, desserts and beverages. The price will be approximately \$ 9.95 for lunch and \$ 14.95 for dinner. Prices may be higher for special events such as the Harvest Buffet. We will be glad to take reservations for tables of up to eight persons.

We are excited to offer you a new autumn dining experience. As well as our wonderful Magnolia buffet service, we now take great pride in providing exceptional service and cuisine in the Fernihurst dining rooms. This season's evening dining experience in Fernihurst is a three-course meal consisting of a choice of three appetizers, six entrées and three desserts representing the weekly themed cuisine, plus coffee or tea. The price will be based on the entrée of choice and include all three courses. The price will range from approximately \$ 13.95 to \$ 15.95. For evening dining in Fernihurst, we can accept limited reservations for parties of two to six persons.

Reservations are required and may be made by calling Lee Sokol at 254-1921 ext.244 after 10:00 AM on the Monday of the week you would like to dine.
