Optional Online EMS Preparatory Review Orientation for the Accuplacer Exam

Daily @ 11:00 am

Location: JobLink in the Maple Building

Course Information

Accuplacer is the required college level entrance exam for the night EMT-Intermediate and Paramedic programs.

Course is online and simple to use. Course can be completed at your own pace and is not mandatory in order to take the Accuplacer exam. At the start of the online course some course work will seem elementary; however, it should be completed as it is "building blocks to the next level" (and is a good review). You may call JobLink at 828-250-4761 to set up an appointment for orientation to the WIN Tutorial program.

For more information please call 825-254-1921 Ext. 478.

You may email nprestwood@abtech.edu.
