Core Laboratory

NPCL

**Natural Products Core Laboratory
Asheville Buncombe Technical Community College
Supply and Equipment Fee Schedule as of September, 2007**

The fees listed below are intended to help guide you in your business planning. The fees are evaluated each fiscal year and are subject to change. Users will be given 30 days notice prior to any changes.

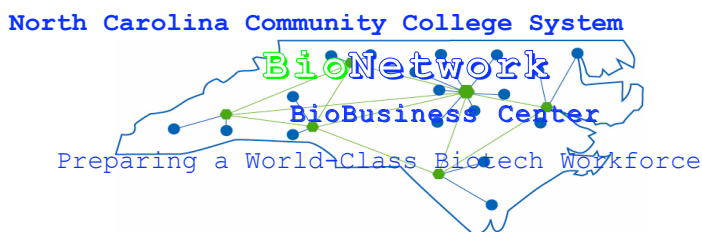

- 1. Cleaning Deposit** **\$100**
This amount will be to pay cleaning costs for Users who leave the laboratory in an unacceptable manner. User will be expected to maintain a \$100 account balance with any surplus being returned when User is no longer using the facility.
- 2. Security Deposit** **\$250**
This will be applied to any damages or breakage caused by misuse of the laboratory. Balance will be returned when User is no longer using the facility.
- 3. Laboratory Equipment and Basic Supply Fees:**
\$8 per hour Incubator Tenant
\$18 per hour Local Business

This fee is used to pay for equipment, equipment maintenance agreements and basic laboratory supplies. Laboratory users are subject to additional fees based upon the use of supplementary materials.

There will be **10 minutes per hour** allowed, off the clock, so that Users may set up their materials for efficient processing and to insure thorough cleaning of the work area after work has been finished.

User access to the Laboratory may be denied or restricted at any time based upon misuse of the facility.

If scheduled laboratory time must be cancelled please contact Sarah Schober at 828.254.1921*5845 or sschober@abtech.edu. There will be no charge for cancellations with 24 hours or more notification. *Cancellations with less than 24 hours notification will be charged for one half of the originally scheduled time.*

Natural Products
Core Laboratory

NPCL
