NEED MONEY FOR COLLEGE?
ENROLLMENT SCHOLARSHIPS

Do you have a high school or college GPA of 2.5 or above or a GED score of 2,500 or above?
Are you enrolled in six or more credit hours at A-B Tech?
Have you declared your program of study?
Have you completed your FAFSA?

Read on! You might qualify for one of A-B Tech’s 2012-13 Enrollment Scholarships.

FIRST-YEAR STUDENT AWARDS
(New incoming students and students who have completed less than half the credit hours needed for their declared program of study)

Alternative High School Success
● Received GED with a score of 2,500 or above within the past 12 months

Dependent Student Support
● Living on your own, not receiving parental financial support, but still considered a dependent for financial aid purposes
● Must provide the following when submitting your application
  o Prior year tax return indicating income of $4,000 or more
  o Letter explaining your circumstances

Dislocated Worker
● Recently terminated or laid off due to plant closure or significant workforce reduction
● Must provide documentation of layoff or receipt of unemployment benefits when submitting application

Excellence in High School
● High school transcript indicating class rank in the top 15%

Non-Traditional Careers
● Enrolled in a curriculum program considered non-traditional for your gender – see Page 4 for details

President’s Discretion
● Exceptional circumstances; application will be referred to President for review
● Must provide a letter explaining your circumstances

Single Parent
● Single parent with one or more dependent children in the household

Valedictorian/Salutatorian
● Graduated 1st or 2nd in your high school graduating class
● FAFSA is optional

Veterans
● Veterans with demonstrated additional need
● Submit documentation of honorable discharge
● Based on recommendation of the Veterans’ Coordinator

Under-Represented Population Scholars
● Identify as African-American, Asian, Pacific Islander, Native American, or Hispanic
