Welcome to AB Tech! With a view toward environmental and economic conservation, AB Tech does not print payroll summaries. You can view your payroll information online using WebAdvisor. Just follow these steps to get started:

1. You will find the WebAdvisor link in the top row of menu items on the AB Tech homepage (http://www1.abtech.edu/). Click on this link to access the WebAdvisor home page.

2. Click on: ‘What’s My Password?’ at lower right corner of the page (see Figure 1 at right).

3. Click on: ‘I’m new to WebAdvisor: Set up my password’ (see Figure 2 at right).

4. When at the ‘New to WebAdvisor’ page, click on ‘OK’ to begin the steps of setting up your account (see Figure 3 at right).
5. When at the ‘What’s my User ID?’ page, enter your last name and your college ID number or your Social Security number, then click ‘Submit’ (see Figure 4 at right).

6. Your user ID will be displayed above the email address box. Enter the email address where you would like your temporary password sent.

7. The next page will tell you to check your email.

8. Look for your temporary password in your email inbox.

9. Now, log back into WebAdvisor with your temporary password, change the password to one of your choice, using at least 8-10 characters and a combination of letters and numbers.

10. You’re ready to go! You may navigate WebAdvisor freely from this point.
