Curriculum Program Chronology

2014-2015  Central Sterile Processing

2012-2013  Pharmacy Technology
Program upgrade to include degree:
Medical Office Administrative Assistant
Food Service (Diploma)

2011-2012  Cybercrime Technology (collaboration Catawba Community College); (terminated 2014)
Healthcare Business Informatics
Cosmetology Instructor

2010-2011  Health Information Technology (collaboration McDowell Community College; terminated 2012)
Sustainability Technology

2009-2010  School Age Education (terminated 2014)

2008-2009  Entrepreneurship
Esthetics Technology
Medical Assisting
Ophthalmic Medical Assistant (collaboration Caldwell Community College; terminated 2012)
Manicuring/Nail Technology

2007-2008  Computed Tomography and Magnetic Resonance Imaging Technology (terminated 2011)
Cosmetology
Resort and Spa Management (included in Hospitality Management 2011)
Therapeutic Massage

2006-2007  Industrial Systems Technology
Infant/Toddler Care Certificate (terminated 2014)
Air Conditioning, Heating and Refrigeration Technology (Associate terminated 2007)
Web Technologies

2004-2005  Biotechnology (terminated 2011)
Computer-Aided Drafting Technology
Digital Media Technology
Veterinary Medical Technology

2003-2004  Baking and Pastry Arts
Business Administration/Human Resources Management
College Transfer - Associate in Fine Arts
Construction Management Technology
2002-2003  Surgical Technology
            Early Childhood Associate/Teacher Associate (terminated 2010)

2001-2002  Computer Engineering Technology
            Program upgrade to include degree:
            Heavy Equipment and Transport Technology (changed to Diesel and Heavy Equipment Technology 2013-14)

2000-2001  Medical Sonography

1999-2000  Medical Office Administration
            Fire Protection Technology
            Networking Technology
            Food Service Technology Certificate (Immured; terminated 2012)
            Medical Coding Certificate

1998-99    Medical Transcription

1997-98    Re-engineering and Conversion from Quarter to Semester System.
            Program upgrades to include degrees:
            Air Conditioning, Heating and Refrigeration Technology
            General Occupational Technology
            Machining Technology (new name-Computer Integrated Machining Technology)
            Machining Technology-Tool, Die and Mold Making (terminated 2005)

1995-96    Information Systems

1994-95    Electrical/Electronics Technology (changed to Electrical Systems Technology in 2013-14)
            Social Services (merged into Human Services Technology 2010)

1993-94    Early Childhood Associate
            Early Childhood Associate Certificate
            Phlebotomy Certificate
            General Technology Curriculum Core Certificate (became General Occupational Technology Degree in 1997)

1992-93    Automotive Systems Technology (Degree)
            Electronic Servicing Technology (terminated 2002)
            Tool Design Technology Certificate (terminated 2005)

1991-92    College Transfer - Associate in Arts Degree
            Real Estate Certificate (terminated 2010)
            Real Estate Appraisal Certificate (terminated 2010)
1989-90  College Transfer - Associate in Science Degree
1988-89  Surveying Technology (changed to Geomatics Technology 2013-14)
1985-86  Tool Design Technology (terminated as a degree program)
1981-82  Emergency Medical Science
          Manufacturing Resources Planning (terminated 1989)
1979-80  Criminal Justice Technology
1976-77  Postal Service Management (terminated 1979)
1975-76  Medical Laboratory Technology
1974-75  Banking and Finance (previously an option in Business Administration; terminated 1995)
          Data Processing Operations (terminated 1984)
          Marketing and Retailing (previously an option in Business Administration)
1973-74  General Office Technology (merged with Office Systems Technology 1997) (changed to
          Office Systems Technology 2010)
          Data Entry (option started 1982)
          Word Processing (option started 1982)
1972-73  Culinary Arts (terminated 1984)
1971-72  Accounting (previously an option in Business Administration)
          Operations Management (previously an option in Business Administration; terminated
          2002)
          Radiography (from Memorial Mission Hospital)
          Basic Law Enforcement Training Certificate (transferred from Continuing Education in
          1987)
1970-71  Associate Degree Nursing
          Dental Assisting
          Dental Hygiene
          Medical Laboratory Assistant (terminated 1980)
1968-69  Industrial Engineering Technology (terminated 1971)
1967-68  Hotel and Restaurant Management (changed to Hospitality Management 2011)
          Culinary Technology
1965-66  Office Systems Technology
          Civil Engineering Technology
1964-65  Carpentry (terminated 2013-14)
         Machining Technology-Tool, Die, and Mold Making (Technical Diploma; terminated 2005)

1963-64  Agricultural Technology (terminated 1964)
         Computer Programming (terminated in 2006)
         Instrumentation Technology (terminated 1964)
         Radio and Television Servicing (terminated 1966)

1962-63  Business Administration
         Heavy Equipment and Transport Technology
         Chemical Technology (terminated 1991)
         Mechanical Engineering Technology

1961-62  Air Conditioning, Heating, and Refrigeration Technology (Diploma)
         Automotive Systems Technology (Diploma)
         CAD Systems Management (name change in 2005 to Computer-Aided Drafting Technology)
         Welding Technology

1960-61  Electronics Engineering Technology
         Machining Technology (Diploma)

1959-60  Practical Nursing (from city schools)

Note: Current program titles are used (for some programs, titles have evolved through several changes).
