# Associate in Science: Pre-Health Pathway

**All Pathways are design to transfer to a four-year institution for eventual completion of a BA/BS or BFA degree.**

The Pre-Health pathway is intended to lead to a student earning a BS in Nursing for employment in the health field. Completers of this pathway will be prepared to proceed to a BS Nursing program at a four-year university to complete the nursing degree. With this degree, graduates can work in a variety of areas: doctor's offices, hospitals, nursing homes, etc.

AA and AS degrees require completion of a minimum of 60 semester hours of credit, but pathways may include extra hours to meet university baccalaureate degree plans. Completion of hours beyond 60 may not be required to meet AA or AS graduation requirements but is recommended based on programs offered by intended transfer institutions.
