Limited Program Admission Criteria
Phlebotomy Certificate
Requirements for Spring 2018 Admission

A-B Tech will begin accepting applications October 6, 2017, for the 2018 Phlebotomy Certificate program cohort which begins SPRING 2018. Applicants are required to attend a mandatory Phlebotomy Information Session in the Ferguson Center for Allied Health and Workforce Development, at 1 PM on October 6, 2017, prior to applying to the program. An advisor will be in the first floor lobby starting at 11:30 AM to sign students in prior to reporting to the info session room. This ensures you are placed on the list to meet with an advisor immediately following the info session. Any student who does not sign in will be placed at the end of list when the session ends. ALL requirements must be met to be eligible to apply.

Summary of the Application Process

1. Apply to A-B Tech online at https://www.abtech.edu/apply

2. Attest to having graduated from high school or completed a High School Equivalency (HSE) or Adult High School diploma on college application. You must have this high school diploma or equivalency by the first day of classes for the spring 2018 semester to enter the limited programs.

3. Complete the NC Diagnostic Assessment for Placement (NCDAP) and demonstrate college readiness in English. Alternately, students may submit other approved placement assessment scores (scores must be less than five years old), submit official high school transcripts documenting an unweighted GPA of 2.6 or higher plus completion of a fourth higher level math (if graduation was January 2013 or more recent), or submit official college transcripts documenting completion of college level English with a grade of “C” or higher.

4. Complete New Student Orientation and the SmarterMeasure assessment: www.abtech.edu/nso

5. Attend the mandatory Phlebotomy Certificate Information Session at 1 PM on October 6, 2017 in the Ferguson Center for Allied Health and Workforce Development.

6. Meet with an advisor in the K. Ray Bailey Student Services Center to document eligibility and apply for the program. Distance student services are available for students living outside of Buncombe/Madison and adjacent counties. Contact gotadvising@abtech.edu for assistance.

Please Note:
- Completion of a background check and drug screening through college’s third party vendor.
  - Directions for this process will be provided by the program upon acceptance
  - Do NOT obtain these from another source; they will not be accepted
